

WE PAY FOR, SO WE SHOUL RECEIVE!!!!!! We listen to news and wheather repoert on XM RADIO. We travel a lot and like to be iformed on what's going on around the country. We pay XM RADIO so we can have the availabilty to listen to the benefits of having a station that is current on weather and news reports. Please reject the NAB'S PETITION 04-160. We support XM RADIO STATION. We live in a town where sometimes news and wheather are not up to date. That is one or the reasons we joined XM RADIO. We rely on XM RADIO to plan our travels most of the time.
